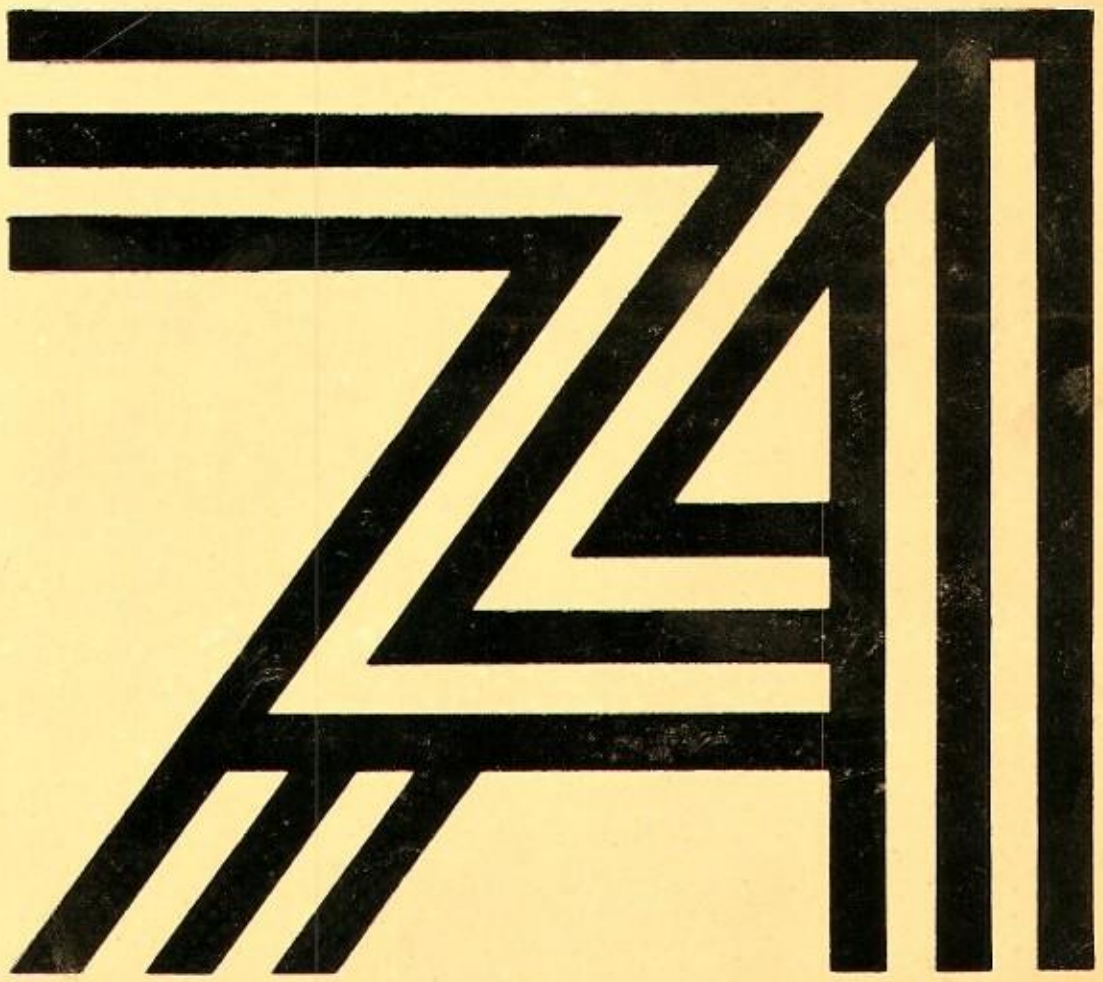
POW WOW

Trudy Thornberry 1977



AT THE CROSSROADS

You to the left and I to the right,
For the ways of men must sever-
And it well may be for a day and a night,
And it well may be forever.
But whether we meet or whether we part
(For our ways are past our knowing),
A pledge from the heart to its fellow heart
On the ways we all are going!
Here's luck!
For we know not where we are going.

Whether we win or whether we lose
With the hands that life is dealing,
It is not we nor the ways we choose
But the fall of the cards that's sealing.
There's a fate in love and a fate in fight,
And the best of us all go under-
And whether we're wrong or whether we're right,
We win, sometimes, to our wonder.
Here's luck!
That we may not yet go under!

With a steady swing and an open brow
We have tramped the ways together,
But we're clasping hands at the crossroads now
In the Fiend's own night for weather;
And whether we bleed or whether we smile
In the leagues that lie before us
The ways of life are many a mile
And the dark of Fate is o'er us.
Here's luck!
And a cheer for the dark before us!

You to the left and I to the right,
For the ways of men must sever,
And it well may be for a day and a night
And it well may be forever!
But whether we live or whether we die
(For the end is past our knowing),
Here's two frank hearts and the open sky,
Be a fair or an ill wind blowing!
Here's luck!
In the teeth of all winds blowing.

From the book POEMS FOR YOUTH by Wm. R. Benet. Copyright, 1925, by E. P. Dutton & Co., Inc. Renewal, 1952 by Marjorie Flack Benet. Published by E. P. Dutton & Co., Inc. and used with their permission.

Mr. Bobby Campbell is a chemistry, physics, and electronics teacher at Wentzville High School. He has been teaching for 16 years and has been a part of the Wentzville system for 12 years.

Mr. Campbell has always exhibited a genuine interest, enthusiasm, and friendliness for all students. His understanding, kindness, patience, and sense of humor have helped many students both in and outside the classroom.

Mr. Campbell's determination to continue teaching and contributing to the development of young people in spite of serious health obstacles has been an encouragement and inspiration to those of us who know him.

Mr. Campbell has gained the respect and admiration of students, parents, faculty, and administration. Through his efforts, we feel our community and school are better places to live, study, and learn. It is with a great deal of pleasure that we dedicate the 1974 POW WOW to Mr. Campbell.

TO THE SENIOR CLASS OF 1974

Dear Seniors,

It is with deep respect and affection that I wish all of you success as you leave Wentzville High School in your search for what the future holds for you. It is my hope that I have been of some help during the past four years with your preparation for what lies ahead. It is agreed that not every moment has been easy, but nothing in life that has real worth comes to us without some sacrifice. You will be asked to make many more sacrifices as you continue your education, whether it be in a formal education program or as a member of the working world. Just remember, you will get out of it only what you are willing to put into it.

Again let me thank you for all your cooperation while students here at Wentzville High School and may all of you achieve much success in whatever you choose to pursue in the future.

Remember you will always be members of the growing family of Wentzville High School and I want you to always feel free to visit with us when you are passing our way.

Respectfully,

Louis F. Newbold

TO THE STAFF AND STUDENTS OF WHS,

We would like to extend our sincere appreciation to all those who made this book possible.

Special thanks go to Mr. Strain and his crew of photographers for their fine performance, all the sympathetic teachers who let us miss class for the almighty deadline, to all our sponsors for supporting the Pow Wow tradition, and to our advisor, Mrs. Virginia Slater, for keeping her sanity when ours was nowhere to be found.

We hope you get as much enjoyment from looking at this Yearbook as we did producing it.

Have a nice life!
